- I have included a gift to Tanner Medical Foundation in my estate plans.
- I would like more information on how to include a gift in my estate plans.

Our Community of Caring

Living in a community like ours means knowing that when there is a need, a neighbor is always willing to reach out their hand to help.

Every day, we choose to be part of this circle of compassion when we respond to the needs of others, understanding that each member of our community is indispensable.

Tanner Medical Foundation is honored to be part of the shared values that keep our community vibrant and strong. A gift to Tanner Medical Foundation directly impacts our community and makes a lasting difference.

Please help us continue the legacy of neighbors helping neighbors with a gift to Tanner Medical Foundation today.

Tanner Medical Foundation

Making a Difference in the Health of Our Community

 **TANNER**
HEALTH SYSTEM

Foundation

Opportunities for Your Support

Charity Care

Your support will help Tanner Health System fulfill its mission to serve everyone in our community, regardless of their ability to pay. Your donation will assist with:

- Cancer and other medical treatments
- Medication
- Patient care items
- Transportation needs
- Community health

Community Health

You can give the gift of health. Your donation will help meet the needs of low-income and vulnerable populations and address factors that contribute to chronic disease (such as heart disease, high blood pressure, obesity, diabetes and arthritis) and affect the overall health of the community.

Women's Health

Tanner Health System is committed to ensuring that, regardless of income or insurance status, all women in our area have access to high-quality care for women's health issues.

Mammogram Assistance Fund

Every woman has a 1-in-8 chance of developing breast cancer, and mammograms are the best way to find the disease early. Tanner's Mammogram Assistance Fund makes this life-saving screening possible for women who could otherwise not afford it.

Mobile Mammography

Tanner's Mobile Mammography unit will reach women throughout Tanner's service area who do without mammograms because they lack time, awareness or access.

Bikers Battling Breast Cancer Fund

Through the Bikers Battling Breast Cancer Fund, Tanner Medical Foundation provides assistance to Tanner breast cancer patients with critical diagnostic testing, helping them begin the treatment plan that is right for them.

Behavioral Health Services

Donations for Willowbrooke at Tanner give hope to someone who is enduring a difficult life situation through a mental illness or addiction by providing support for therapeutic services, some of which are:

- Equine therapy
- Rhythmic therapy
- Expressive art therapy
- Pet therapy
- Drama therapy
- Other traditional therapies

Cancer Patients Assistance Fund

Many face the burdens of cancer alone and without the resources to manage their cancer care. Your gift can assist Tanner cancer patients with medication, treatment and expenses related to their cancer care that they would not otherwise be able to afford.

Each November, our community comes together to let cancer patients know they are not alone at Choirs for Cancer, a concert to raise funds for Tanner's Cancer Patients Assistance Fund. To learn more about this powerful evening of hope and song, please visit www.TannerMedicalFoundation.org and click on "Choirs for Cancer."

Comprehensive Inpatient Rehabilitation Unit (CIPR)

A comprehensive inpatient rehabilitation facility is being developed to provide rehabilitation services for patients who have suffered strokes or who must otherwise relearn how to perform everyday tasks. The unit also will serve patients recovering from orthopedic procedures or physical trauma.

The unit also will serve patients recovering from orthopedic procedures or physical trauma. Your support will ensure area residents can continue their recoveries close to home.

Cardiac Rehabilitation

The John and Barbara Tanner Cardiac Rehab Center helps people recover from heart attacks, heart surgery and procedures such as stenting and angioplasty. The program helps heart patients increase physical fitness, reduce cardiac symptoms, improve health and reduce the risk of future heart problems, including heart attack. Your donation will help us continue to provide top-quality cardiac rehabilitation services to patients in our region.

Tanner Hospice Care

Tanner Hospice Care is the region's only community-based, nonprofit hospice care provider, serving the emotional and spiritual needs of patients in addition to their physical needs. Tanner Hospice Care has never billed a patient for service, relying on private insurance, Medicare, Medicaid and donations to continue providing care. No patient has ever been turned down based on an inability to pay. The financial assistance of the community and gifts from compassionate donors are a critical component of the continued success of this program.

How to Give

Your tax-deductible gift will inspire hope and contribute to health of our community. You may make a gift or pledge to any area, department or service of Tanner Health System.

Mail

To make a donation by mail using a check or credit card, please mail your completed contribution form and your check, if applicable, to:

Tanner Medical Foundation
303 Ambulance Drive
Carrollton, GA 30117
