

Getting the full picture of the Digital Transition starts with your phone, and ends with **FREE** cable!*

On February 17, 2009 TV is changing.

Despite all of the concerns regarding the Digital Transition, the remedy to uninterrupted service couldn't be simpler. You could buy a brand new TV or try to connect a special converter box to your existing antenna and TV, but **the best solution is to connect your TV to Cox.**

Cox Basic Cable TV service is a great value at \$13.00 per month, but with this special offer, Cox will give you **[FREE Basic Cable TV service for 12 months]** when you sign up for Cox Digital Telephone.®

Not only will you enjoy **[Basic Cable TV for 12 months from Cox, (a \$156 value!)]**, but with Cox Digital Telephone, you will enjoy exceptional phone service and **[save up to an additional \$120 per year over AT&T.]** It's easy to switch, all while keeping your existing phone number and phones.

For more information about the Digital Transition, visit www.cox.com

Available to residential customers in Cox areas. Telephone modem (no additional cost to consumer) may be required. Modem uses household electrical power to operate and has backup battery power provided by Cox if electricity is interrupted. Telephone service, including access to e911 service, will not be available during an extended power outage or if the modem is moved or inoperable. Prices exclude taxes, surcharges and other fees. Installation charges and other restrictions may apply. Telephone service provided by an affiliated Cox entity. Digital receiver rental and paid subscription to limited basic required for digital broadcast signals. Cox Limited Basic plus a digital receiver and Digital Gateway subscription required for premium channels, pay per view, and On DEMAND programming. Installation fees, taxes, franchise fees and other surcharges are additional. Other restrictions may apply. © 2008 Cox Communications. All rights reserved.
